We would like to thank David Price and Strategy First Financial Planning for their Sponsorship of Twenty/20 wonder kid Geoff Isaacs for the 2009/10 season. Thanks David and team, we really appreciate your support
 Geoff has come to us this year from Lismore via Warringah Shires via England, and we are hoping to have him around for many seasons to come.

Recent Milestones

Congratulations to Geoff Isaacs who recently scored his first 100 for the Club in the first game of the season against Wests in 3rd Grade. Shaggers pumped 103 off 52 balls to set up the bonus win, and has since then has gone on to make his 1st Grade debut in the Twenty/20 game vs Mosman recently. His article in the Manly Daily even attracted Corporate Support, with Strategy First Financial Planning coming on as an Individual Sponsor of Geoff for the 2009/10 season. Well done Shaggers.

Also celebrating recent milestones are Scott Patterson, who scored his 2,000th run for the club in the 2nd Grade round 4 game vs Sydney Uni, and Logan Weston, who scored his 1,000th run for the Club in the 1st Round 4th Grade win against Wests.

On the Bowling Front, Corrie Boss took his 100th wickets in the 1st Grade Round 1 game vs Wests, and Vinnie Reehan took his 150 wicket in the 1st Round game against Wests in 3rd Grade.

Goldmember Story of the Month

Goldmember would like to sit back and reminisce. Is there anything better than thinking about cricket? Right now I would like to describe the best innings I've seen.

I apologise to you old geezers in advance because I have not been around long enough to witness the heroics of Boycott batting Waverly to the bottom of the table with his long stays at the crease, or the Terry Lees, Bill Atheys, Jim Burkes etc.

But let it be said I have seen my fair share...Mark's 132 v UNSW, Fry's 101 v Randwick on a seaming deck, Bush 127 v Norths, Red Colby 157 v Fairfield, Phelps 233 v Norths spring to mind but sorry guys the next 5 leave you in the shade.

Brays IGA – your local supermarket conveniently located in Allambie Heights.
