Dear David,

Thank you for being part of this year's World's Greatest Shave

I would like to thank you and your colleagues at Strategy First Financial Planning for your wonderful support for the Leukaemia Foundation by taking part in the World's Greatest Shave.

Together with the donations raised by Isaacs & Cole, the total amount raised is \$15,727. This outstanding support means that Strategy First Financial Planning and Isaacs & Cole are among the Foundation's major World's Greatest Shave supporters.

Funds raised through the World's Greatest Shave ensure the Leukaemia Foundation can improve patients and families quality of life through personalised and practical care.

This includes providing a 'home away from home' free of charge at our 16 accommodation centres, emotional support, education programs, transport to and from hospital and, in some cases, financial assistance as well as funding cutting edge research into treatments and cures.

We will keep in contact with news about the Foundation and our plans and we look forward to working with you again in the future.

Kind regards,

Stuart Allen

General Manager NSW/ACT
Leukaemia Foundation
