

**December 2007**

This year, Strategy First Financial Planning donated \$4,500 and sponsored 20 special children to attend the 2007 Annual Special Children's Christmas Party with the Make-A-Wish Foundation held at the Sydney Showground at Homebush on the 12th December 2007.

The Christmas Party for Special Children catered for approximately 5,000 seriously ill, disabled and disadvantaged children from all areas of Sydney and country NSW.

The Children participated in a variety of activities including stage-shows featuring local and interstate celebrities, carnival-like rides and games, adventure climbs, lunch and the opportunity to meet Santa and receive a present.
